The Questions — Game Day

01 · WALKING IN

When we meet him

- *"What's the mindset going into tonight?"*
- If he answers in one word: *"Where does that come from?"*

02 · ON THE COURT

Right after the game

- *"How did that one feel?"*
- *"What stood out to you tonight?"*
- *"What's the mindset after a game like this?"*

03 · THE CONVERSATION

In the car

- *"If someone has never seen you play, how do you introduce yourself?"*
- *"Where is home, and what did it give you?"*
- *"How long has basketball been part of your life?"*
- *"What keeps you hungry?"*
- *"What do you still love about the game?"*
- *"When you're not playing, what are you doing?"*
- *"What side of you do you want people to see this season?"*
- *"What can people expect from you this season?"*

HIS CLOSING LINE
