EA VISUALS × AHMAD CAVER

Game Day Vlog

First Chapter

ARRIVAL	We'll get there at 6:30 PM
WHERE	Ramat Gan · Home game
OUTPUTS	YouTube vlog · Instagram Reel

Core Idea

A short cinematic game-day story that introduces Ahmad through basketball first — then lets people meet the person behind the player.

Feel

Natural · Cinematic · Personal · Confident

Not over-produced. Not a generic highlight video.

PART 1

Arrival / Hook

GOAL	Pull the viewer into Ahmad's day immediately.
CAPTURE	• Ahmad arriving at the arena • Walking toward / into the venue • Shoes / bag / headphones / details • Natural interactions • 1–2 quick lines to camera before the game
SIMPLE PROMPT	"What's the mindset going into tonight?"
OPENING STYLE	Quick cinematic shots + Ahmad's voice over them.

PART 2

Pre-game

GOAL	Build anticipation.
CAPTURE	• Stepping onto the court • Warmups • Shooting routine • Stretching / preparation • Teammate interactions • Quiet focused moments • Close-ups + wide arena shots
STORY	The energy slowly builds toward tip-off.

PART 3

The Game

GOAL	Show Ahmad as the athlete.
CAPTURE	• Best plays • Reactions • Defense / offense • Bench moments • Crowd / atmosphere • Scoreboard / game details • Emotional moments
EDIT	Do not make this the entire vlog. Use the game as the peak of the story.

PART 4

After the Game

GOAL	Transition from basketball player → person.
	First, let Ahmad react naturally to the game.
QUESTIONS	• “How did that one feel?” • “What stood out to you tonight?” • “What’s the mindset after a game like this?”
	Keep answers natural and short.

PART 5

Meet Ahmad

GOAL	Give viewers a reason to follow beyond tonight.
	More relaxed, off-court conversation.
TOPICS	• Who is Ahmad Caver? • Where is he from? • How long has basketball been part of his life? • What keeps him hungry? • What does he still enjoy about the game? • What does he enjoy outside basketball? • What side of himself does he want people to see? • What can people expect from his future content?
IMPORTANT	This should feel like a conversation — not an interview.

PART 6

Ending / Next Chapter

	Finish with a short statement from Ahmad that creates continuation.
EXAMPLE DIRECTION	“This is only the beginning. You’ll see a lot more this season.”
THEN	• Final cinematic shots • Walk away / arena exit • EA Visuals × Ahmad Caver
