Game Day Vlog — First Chapter

ARRIVAL
We'll get there at 6:30 PM

WHERE
Ramat Gan · Home game

OUTPUTS
YouTube vlog · Instagram Reel

Core Idea

A short cinematic game-day story that introduces Ahmad through basketball first — then lets people meet the person behind the player.

Feel

Natural · Cinematic · Personal · Confident

Not over-produced. Not a generic highlight video.

PART 1 — Arrival / Hook

GOAL	Pull the viewer into Ahmad's day immediately.
CAPTURE	Ahmad arriving at the arena · Walking toward / into the venue · Shoes / bag / headphones / details · Natural interactions · 1–2 quick lines to camera before the game
PROMPT	*"What's the mindset going into tonight?"*
OPENING	Quick cinematic shots + Ahmad's voice over them.

PART 2 — Pre-game

GOAL	Build anticipation.
CAPTURE	Stepping onto the court · Warmups · Shooting routine · Stretching / preparation · Teammate interactions · Quiet focused moments · Close-ups + wide arena shots
STORY	The energy slowly builds toward tip-off.

PART 3 — The Game

GOAL	Show Ahmad as the athlete.
CAPTURE	Best plays · Reactions · Defense / offense · Bench moments · Crowd / atmosphere · Scoreboard / game details · Emotional moments
EDIT	Do not make this the entire vlog. Use the game as the peak of the story.

PART 4 — After the Game

GOAL	Transition from basketball player → person. First, let Ahmad react naturally to the game.
QUESTIONS	*"How did that one feel?"* · *"What stood out to you tonight?"* · *"What's the mindset after a game like this?"*
	Keep answers natural and short.

PART 5 — Meet Ahmad

GOAL	Give viewers a reason to follow beyond tonight. More relaxed, off-court conversation.
TOPICS	Who is Ahmad Caver? · Where is he from? · How long has basketball been part of his life? · What keeps him hungry? · What does he still enjoy about the game? · What does he enjoy outside basketball? · What side of himself does he want people to see? · What can people expect from his future content?
IMPORTANT	This should feel like a conversation — not an interview.

PART 6 — Ending / Next Chapter

	Finish with a short statement from Ahmad that creates continuation.
DIRECTION	*"This is only the beginning. You'll see a lot more this season."*
THEN	Final cinematic shots · Walk away / arena exit · E.A. Visuals × Ahmad Caver

Instagram Reel — TARGET: 30–60 SECONDS

Fast cinematic version of the same story: Arrival → Preparation → Best Game Moments → Ahmad Personality → Strong Closing Line

THE MAIN RULE

We're not filming a basketball game. We're introducing Ahmad Caver through a basketball game.
